HOSPICE MUSKOKA – JOB DESCRIPTION

Registered Nurse (RN) & Registered Practical Nurse (RPN)

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Assume responsibility for all aspects of resident care in accordance with the Regulated Health Care Professionals Act and the College of Nurses.

1. Assessment:

Assesses for pain and symptom management on an ongoing basis, and administer medications according to the College of Nurses Standards of Practice. Collaborates with the rest of the care team and takes a lead role in team rounds and report. Recognizes, assesses and responds to resident health status changes in accordance with Hospice philosophy, and reports appropriately to the Most Responsible Provider (MRP – MD/NP). Leads and participates actively in resident care planning and seeks interdisciplinary consultation as appropriate. Consults with the resident, family members, and/or the substitute decision maker regarding needs, wishes, and preferences for care. Consults with the RN Leads; Hospice Muskoka Palliative Care Team, Simcoe Muskoka Palliative Care Team or HCC Case manager for additional services as required.

2. Implementation:

Delivers interventions in accordance with College of Nurses Standards of Practice, such as: pharmaceutical, medical, and other interventions as ordered by the MRP. Provides leadership to RPNs, PSWs and volunteers and other team members and teaches others to administer treatments as required and as appropriate. Documents accurately and in a timely manner according to College of Nurses Standards. Assists with ordering supplies according to resident needs and in collaboration with the CCAC Case Manager. Monitors and assumes responsibility for maintaining a safe and healthy environment, and reports unsafe situations to the Director of Care (DOC).
